To whom it may concern

I am delighted to write this recommendation letter to Mr. **Dawit Jogora Ayele**. To the best of my knowledge, he possesses the necessary academic preparation and intellectual capacity to effectively disseminate himself at his highest level of ability in his field of study and be a valuable asset to the country. Mr. **Dawit** was known to me as a student while he was taking his undergraduate studies in the department of Information Systems at Haramaya University.

Mr. **Dawit** is a disciplined, hard-working, interactive, cooperative person who has a strong belief in teamwork. He is always eager to learn new things and willing to take responsibilities. I found Mr. **Dawit** to be a responsible, active, better-performing, brilliant, and challenging person. I had the opportunity to witness this while final year project evaluating, seminar advising and attending my classes. Moreover, he is affable and emotionally stable, and this has been evidenced from the interactions he had with his instructors and classmates.

It is my belief that any opportunity that would be given to Mr. **Dawit** in his further responsibilities is a worthwhile investment. In view of his large academic potential, his commitment and devotion, and his considerable social, leadership, and communicative skills, I can proudly say that Mr. **Dawit** would be effective in pursuing any job related to his profession and he can successfully undertake any responsibility assigned to him. I have faith that whatever he does will benefit the organization for which he works. He has the potential and all the necessary capabilities to pursue and successfully complete his tasks.

Therefore, I take this opportunity to extend my best wishes to this promising young man and strongly recommend him to your organization. Please do not hesitate to contact me if you require any additional information.

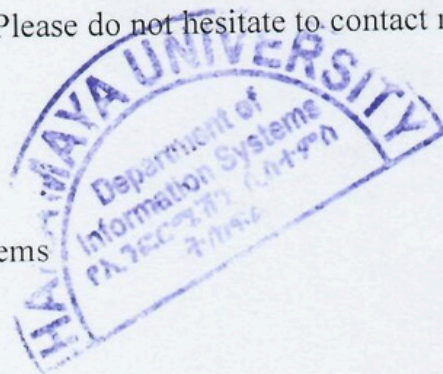

Your sincerely

Tewodros Tilahun (MSc)

Lecturer in the Department of Information Systems

To Whom It May Concern

As a Dean of College of Computing and Informatics, I have had the greatest moments knowing **Dawit Jogora** for the past 4 years. He is a remarkable talented and smart individual. I would like to take the opportunity to recommend **Dawit** for your scholarship/job offer.

Dawit is a highly liked individual around the college due to his respect and caring aspects when it comes to others. Also, he has been involving himself in different academic activities.

Dawit is a careful, creative thinker, outstanding, quite diligent, and industrious with an eye for details and a devotion to logic, which serves him well both in the sciences and outside them. He has terrific ability to draw on him own experience and observations to develop thoughtful opinions on a variety of issues. **Dawit** is not only an excellent student, but he is also personally delightful. He is as comfortable with himself as he is engaging, pleasant, and humorous.

I believe that any offer at your organization will undoubtedly augment the usefulness of our promising and energetic young student. The offering of scholarship/job for **Dawit** will be a great contribution to your organization in particular and the country in general. Please contact me if there is anything else can do on him behalf.

Sincerely,

Kasahun Takele (PhD)
Dean, College of Computing
and Informatics

TO WHOM IT MAY CONCERN

I feel pleasure and confidence in recommending **Mr. Dawit Jogora**. He was my student in Information Systems department during his study in 2022-2023 G.C. I have got the chance to know him more during his B.Sc. studying. As I was his teacher for the courses (Data structure and Algorithm and other Advanced Programming) and he was magnificent and outstanding scored an excellent result for his final year project.

I have also observed his ability of perceiving issues from the different angles and explaining circumstances in logical manner and tendency to devote himself chiefly to what he deems important, all together best describe his potential. I must note **Mr. Dawit Jogora**. performance in that he has proven himself, hardworking, energetic and curious could be an example to others. Moreover, he has excellent written and verbal communication skills, is extremely organized, can work independently and able to follow through to ensure that the jobs get done.

Therefore, I am confident that the aforementioned promising performance will make him capable of and competent for any graduate studies related to his training and /or as candidate for position your organization. Based on the above facts, I recommend **Mr. Dawit Jogora**. without reservations am confident that he will establish productive relationships with anybody. Please let me know if you need any additional information about this sociable young man. I am happy to answer any questions you may have.

With best regards.

Mr. Ataklti Nguse Asfeha (M.Sc.)
